

Darlene Sanders Collage CAFE

Hello everyone! Next CAFÉ will be held on THURSDAY, JUNE 13th from 10 – Noon.

Subject: PAPER COLLAGE

I'll begin with a brief history of collage art and the various materials that can be used for this fun and creative medium. Actually the sky's the limit.

The theme will be a floral bouquet and the object is to create an interpretive art piece using scraps of paper and images from printed material.

Together, we'll scan a couple of magazines to show you what to look for with regard to the images that you will cut for stock. The focus here will be on color, variety and textures.

The CAFÉ fee is \$3 and in addition to this, there will be a materials fee of \$3 to cover the cost of an 8" x 10" stretched canvas - sponge brushes - gel medium and supplemental paper stock.

SUPPLIES list: Please bring the following:

SCISSORS and an X-ACTO KNIFE

MAGAZINES OR OTHER PRINTED MATERIAL : Just one or two will be fine; but bring more if you like. These are only suggestions ---- Home Décor magazines such as Architectural Digest- Veranda- House/ Garden- Real Simple- Furniture catalogs- Woman's Day - Family Circle - Fashion Magazines & store catalogs - Community magazines – old Calendars – gift wrap --- anything that might yield a stock of colors and textures as well as images. There is no right or wrong to this – just bring any printed material you may have at home that you won't mind cutting up.

This CAFÉ will make you feel like a kid again and take you back to early school days with lots of cutting and gluing!
